ONE LOVE: ONE COMMUNITY

“For a community to be strong and healthy, it must be based on people’s love and concern for each other.” — Malcom X, Habib in Humanity co-founder

Whether responding to COVID-19 or providing support as we seek solutions to economic disparities and social equality, we know we are better off when we come together as one community.

In 2020, around $9.5 million were granted to 845 nonprofits, organizations and the $3.1 million were distributed for programs, including CARES Act funding. We are thankful for our partners who provided support more than ever. We were granted to 75 nonprofits in the Lincoln area for a total of $4.8 million.

On behalf of the Board of Directors and staff, we thank you.
